Subject: **STATUS REPORT ON COUNTY UNISYS AGREEMENTS/WORK ORDERS**

On February 20, 2001, your Board directed this office to generate quarterly reports on all Unisys agreements. In fiscal year 2001-2002, we began reporting to your Board on a semi-annual basis. In the past, our Unisys reports indicated system issues arising within the departments and reportable issues with contractor performance.

As we specified in the previous reports, there were only two outstanding agreements by the Department of Public Social Services and Internal Services Department, and they continue to be the only two departments with Unisys contracts. Both departments have reported their satisfaction with the contractor's performance and compliance with the terms of their agreements.

Subject to your Board's approval, it is my intention to discontinue reporting the status of existing and future Unisys agreements, unless instructed to continue the report.

If you have questions or require additional information regarding these agreements, please contact Jonathan Williams, of my staff, at (213) 974-2080.
